

return of Russ and me on the days required. As we ministered with [REDACTED], we also worked with Pastor [REDACTED] to plan what he would say to [REDACTED] sisters and brother-in-law and to his church. We left with the understanding that Pastor [REDACTED] would fly with [REDACTED] to Philadelphia on Wednesday evening, and then Russ Ebersole, [REDACTED] (his wife), and I would drive down from Clarks Summit to meet them. Pastor [REDACTED] would then return to his home and Russ, [REDACTED] and I would stay overnight at Russ' home and depart for Bangladesh in the morning.

We arrived at the airport on time (in spite of a tire going flat) and were pleased to find [REDACTED] luggage there. PTL! The flights from Philadelphia to New York (prop job) to London (crowded 747 - cattle car) to Bombay (crowded 747) to Dhaka (not so crowded 747 - Who wants to go to Bangladesh?) were all fine and on time.

Our discussions with [REDACTED] along the way were difficult (as they were on the prior Monday) since she did not want to discuss these matters due to embarrassment, guilt, and (we suspected) a desire to not share all the truth. She was unwilling to sign the written confession (see Atch 2) until late in the evening when we arrived at Dhaka and spent more time talking with her (while at Russ' son and daughter-in-law's apartment).

Through all of our discussions with [REDACTED] Russ and I both have felt that it is highly probable that [REDACTED] did engage in sexual intercourse with Donn but is afraid to say so. The more we inquire the more she reveals, it seems, and we both (Russ and I) sense something else is yet to be confessed. She did say last night that she would ask Donn questions about her body and the male body, and he would answer them both in words and by demonstration.

Russ' son ([REDACTED]) and daughter-in-law ([REDACTED]) met us at the airport in Dhaka and took us to their apartment. They fed us dinner, and we retired at about 9:30.

We left for the airport at 6:30 AM, and had a fast (!) drive by Abdul their driver. [REDACTED] was again (persistent!) trying to get us to allow her to meet with her parents privately without us present. We had asked her repeatedly to explain why she wanted to do this, but she refused to tell us. Suspicious! She also wanted to talk to Donn alone -- perhaps to tell him what she had confessed to in hopes that he would not confess to anymore than that.
